Context

Together For Mission (TFM) is an independent charity registered with the Charity Commission of England and Wales. The members of the Charity are the Trustees of the Charity. They also lead the Charity.

The Charity was established in 2021.

The Together For Mission churches are affiliated to the Fellowship of Independent Evangelical Churches (FIEC). FIEC is a membership organisation and does not exercise any authority over the churches or the Charity.

The Charity is a mechanism through which shared activities can be administrated and funded. Joint planting initiatives will be funded through Together For Mission. The Charity runs several key events over

the course of a year including (but not limited to) a TFM Prayer Meeting, a Women's Day, a Men's Day, a Festival Day for both adults and children, Connect summer camp for 8-18 year olds, and Re-Connect (around 6 months after Connect.) TFM has a heart to start new churches, especially in Eastern Enfield. These churches will exist under the banner of TFM until they register as their own CIO. At this point the new church will adopt its own safeguarding policy.

We recognise that during the course of the Charity's activities we may come into contact with vulnerable people. Together For Mission exists to share the good news of God's salvation through Jesus Christ to people in and around Enfield. The good news speaks of welcome for all, with a particular regard for those who are most vulnerable, into a community where the value and dignity of every human being is affirmed and those in positions of responsibility and authority are truly trustworthy. Being faithful to our call to share the gospel therefore compels us to take with the utmost seriousness the challenge of preventing abuse from happening and responding well where it has.

Our responsibilities

We recognise that both as a Charity and as Christians, we have a responsibility to:

- Protect and promote the wellbeing of those who attend any of the TFM events; paying particular attention to those who may be more vulnerable than others.
- Ensure that we have suitable systems and processes in place to manage safeguarding risks, including the appointment of a Designated Safeguarding Lead (DSL) and a Lead Trustee for Safeguarding (LTS).
- Ensure that those who act on our behalf are competent and safe to do so.
- Identify non-safeguarding risks and manage them effectively.
- Report any safeguarding concerns that meet statutory thresholds to the appropriate statutory services as soon as possible and certainly within 24 hours. Where immediate action is required to ensure safety, an urgent report to the Police (999) or the appropriate Social Services department will be made without delay. If we are unsure whether a statutory threshold has been met, we will seek advice from either the relevant statutory services or from Christian Safeguarding Services (thecss.co.uk).
- Ensure that our conduct and practice is accountable and transparent and that we care well for those to whom we minister.
- Ensure that if problems occur or dissatisfaction is expressed, we examine these in an impartial and careful way and manage any conflict of interest effectively.

Our commitments

- We will ensure that our Staff and Volunteers are competent to fulfil their roles and the legal duties associated with safeguarding. This will include renewed DBS every 3 years and this must be seen by either the Together For Mission Administrator or the DSL.
- We will treat all who engage with the Charity through its activities with courtesy and respect and will seek to uphold their inherent dignity and worth.

- We will seek to support and care well for anyone who discloses to us that they have been a victim of abuse or neglect.
- We will seek to listen well to any concerns, complaints, or other expressions of dissatisfaction, and to respond in a proportionate, impartial, transparent, and accountable manner.
- We will make sure that the DSL for TFM is aware of any safeguarding concerns disclosed during a TFM event. The DSL will ensure that appropriate action has been taken.
- The TFM safeguarding team commit to acting in line with this policy as appropriate.

Governance, Oversight and Management of Safeguarding

The Trustees will include a statement on safeguarding in their annual return as required by the Charity Commission. The Designated Safeguarding Lead (DSL) will be trained in the role and will update their safeguarding training every two years in line with best practice standards and Local Authority requirements.

The DSL will work together with the Lead Trustee for Safeguarding (LTS) and the rest of the Safeguarding Team. The LTS will help the Trustees to ensure that those who act on behalf of the Charity are competent and appropriately trained. The Trustees have responsibility for the strategic safeguarding oversight (policies, handbooks etc), but will delegate the practicalities of this to the DSL. The DSL may delegate the management of safeguarding concerns to a Designated Safeguarding Officer (DSO) (for example if they are not attending one of the TFM events.)

If a safeguarding concern was raised with the DSL or DSO at any TFM event, the concern will be dealt with in line with this policy. Any concerns raised with either the DSL or DSO for TFM, will also be reported to the rest of the TFM safeguarding team. The TFM safeguarding team will respond to any concerns according to this policy.

If the statutory thresholds have been reached, the matter will be handed to the responsible statutory authority and the Charity will fully cooperate with the process of investigating the allegation as required. The matter will also be referred to the Charity Commission and DBS.

If the statutory thresholds have not been met, a proportionate response will be developed and implemented by the TFM safeguarding team. Where necessary (including for the avoidance of conflict of interest) advice and support will be sought from Christian Safeguarding Services, who will support in developing a plan to address the concerns raised.

Any allegations that may require a Serious Incident Report to the Charity Commission will be passed to the Trustees as a matter of urgency and certainly within 48 hours. The Trustees will file the Serious Incident Report with the Charity Commission in accordance with their legal responsibilities. If the Trustees require advice or support in this duty, they will seek such from suitably qualified and experienced sources.

Records of any concerns raised and trails of communication between the TFM safeguarding team and anyone else, will be stored in the TFM Google Drive.

Appendix 2: Definitions

Abuse

Abuse is a general term that is used to cover a wide range of harm caused to people. It always involves a violation of the person's rights. It can take various forms as described under "Categories of Abuse" later in this appendix.

Adult at risk of abuse (sometimes referred to as adult in need of protection)

These are adults who have care and support needs who are at risk of abuse because of their support need, meaning they are unable to protect themselves.

Since these adults are unable to protect themselves, we have a legal duty to protect them.

Adult with care and support needs

An adult who requires help or support with basic and essential day-to-day tasks such as:

- Getting up, washing, or dressing
- Cooking meals
- Cleaning the house
- Shopping
- Managing their finances
- etc.

Adults with care and support needs have the right to choose whether they want support or not.

Allegation (against a member of staff or volunteer)

An allegation is a claim that a person who has a role that provides access to a vulnerable person has used their position to exploit, abuse, or otherwise harm the person they should have been caring for.

Categories of abuse

This term is used to refer to the legally recognised forms of abuse.

When considering the safeguarding of children and adults, abuse is categorised under four headings:

- Physical
- Sexual
- Emotional
- Neglect

It also important to consider abuse such as:

- Bullying and Cyber Bullying
- Child Sexual Exploitation
- Discriminatory
- Female Genital Mutilation
- Financial or material
- Gangs / Criminal Exploitation
- Grooming
- Institutional
- Modern Slavery
- Non-recent abuse
- Online abuse
- Self-neglect
- Spiritual abuse
- Trafficking Child

This is not an exhaustive list.

Child

A person (including an unborn child) who has not yet reached the age of 18.

Child protection

Child protection is defined as the protection of children who have suffered, or are at risk of suffering, “significant harm”. It is our legal duty to report all Child Protection concerns to either Children’s Social Care or the Police as per local procedures.

Designated Safeguarding Lead

Frequently abbreviated to DSL, this is the person appointed by the Charity to take responsibility for many aspects of safeguarding, including receiving safeguarding concerns from Staff or Volunteers, and passing them on to the local authority where their threshold is met.

Early Help / Child in Need

Early Help and Child in Need are the areas of safeguarding where a child who has additional needs is receiving targeted support to meet their needs. Support is consent based and so the parents (or the young person if deemed competent to make decisions for themselves) can choose whether to access the support.

Neglect

Neglect is one of the categories of abuse that is characterised by the failure to provide the basic necessities for life where we have a responsibility to do so.

Safeguarding

Safeguarding is a broad range of activities that range from the general duty of care that we have for everyone who comes into contact with the Charity, through early intervention and targeted support to protection from significant harm. It relates to both children and adults.

Spiritual Abuse

This term has become widely used, although remains ill-defined and is not a legally recognised category of abuse. We understand this to be a term referring to emotional, psychological, or spiritual harm caused within the context of a religious community, often, but not always involving the misuse of power, authority, position or scripture to manipulate, control and abuse others. This policy does not refer specifically to the different categories of abuse since it covers all forms of abuse and harm.

Staff

This includes both paid employees and those working for Together For Mission on a voluntary basis. (This might include Trustees, interns, the treasurer, or the anyone on the safeguarding team).

Universal safeguarding

This refers to the general duty of care that we must provide for everyone who comes into contact with the Charity.

Volunteers

This includes leaders at Connect or anyone volunteering at one of the TFM events who is not counted as Staff.

Vulnerable adults

This term is only used as a generic term. It is no longer used as a technical descriptor for a specific group of people. A vulnerable adult is less able to protect themselves and meet their own needs than an adult who has no vulnerabilities.
